

- Elections: though we had said we would have elections tonight, we will wait till next time so more people are there.
- We will try to have meetings on Thursdays
- Wakefest
  - The July 11th was the original date
  - Depends on how Camp goes- not sure of the start date.
  - Would prefer to have a weekend event for more attendance
    - Staff was open to the day event, but they were not done with the morning chores
      - Also the price was high for the amount of the day
      - And whitewater rafting
  - Promote to the Are- so we would need an option of staying overnight
    - We would stay out of the way of the campers if that is an interference
      - Possible to bring their own tent or hammock
        - We would like to have it Friday and Saturday overnight to accomodate people traveling in
  - We need to start promoting
    - We would need a price
      - Possibly overcharge for the cabins
      - Possibly be able to state a date that we would be able to provide more information, such as June 1st.
  - Kandle?
    - Good with dietary needs
      - Others could bring your own food and prepare it.
    - Not good with last minute changes in numbers
    - Is it cheaper on Kandle? (Per meal is about \$4.65) or on our own?
      - It depends on what meals we want
        - About 3 meals (grab and go breakfast on Sunday, no meal on Friday).
          - This allows us to clean the dining hall on Saturday night.
            - We need to tell this to people in advance that they will have to bring snacks or eat out for sunday and Friday.
    - We would like to use Kandle.
    - Possibly a taco bar and spaghetti bar. (Build your own is good for accommodating special diets)
    - Saturday breakfast is normally grab and go items like donuts and cinnamon rolls with juice
      - We should tell the campers what we are having so that they know to plan what they would like to eat, what to bring if needed to eat instead.
- Budget
- To start promoting now- the baseline budget we can promote is \$75.
  - This is for a goal of 30-35 people.

- For camp staff we need a day fee
  - They could hold lunch for staff
  - \$30.00
  - Do not promote this (on the flier)
    - This will go out on an email
- Twilight at night
  - Could raise the price
- Need to get the flier done, sent out and checked to promote.
  - Put: if the event is cancelled by us, we will provide a full refund. (Not if you don't show up).
  - Latest to sign up for the event is Monday, June 29th. (gives enough time for the food order).
  - Kelsey to send to Maggie by Friday- she can get it checked then.
- We can set a google form
  - Then pay to the Council (the online payment is not completely set yet).
- Could be cancelled but that is ok. Lets promote and provide excitement and hope for our friends with this event.
- Next meeting: May 21st- elections- 7pm.
  - Virtual meeting
  - Promote elections
- Tshirts
  - Need to get an update (last update is February 13th).
  - Marybeth will send it to Danielle to send out via email.
  - He does online orders.
- Maggie won't be able to check her email till during May.
